1. **THOMAS HENRY' LLOYD** was born in 1855 in Worcester Worcestershire UK poss 1852. He died on 27 Sep 1925 in Lytham Fylde Sept 8e 605. He married Kate Edna SPRING, daughter of Robert John SPRING and Mary Susan Patience TYRRELL, on 24 Apr 1882 in St Cuthberts Lytham. She was born about Sep 1859 in Dover Kent UK Q3 2a 701. She died on 13 Nov 1933 in Lytham.

Notes for Thomas Henry Lloyd:

Worked for Thomas Fildes as a coachman. His future wife, Kate Edna worked for Thomas Fair - Head of Clifton Estate. In 1881 Census Thomas Fair is described as a 44 year old Land Agent born in 1837 in Lytham Lancashire.

Fathers Grand Father

Thomas (Henry) Lloyd

Born between Jan 1st and April 5th 1852 at

Worcester Died Lytham Sept 27th 1925

Aged 70?? I think he was 73

Per wedding certificate, full name was Thomas Lloyd. age at 24 apr 1882 was 30 hence birth date of 1852 or 1851

Fathers Grand Mother

Kate Edna Lloyd Born

1860 at Dover

Died Lytham Nov 13th

1933 aged 73

They were married on April 24th 1882 at St. Cuthbert's at Lytham.

Fathers Grand Fathers - Father was according to the Marriage register Thomas Henry Lloyd (Coachman)

Fathers Grand Mothers - Father was

Robert John Spring - Drill Instructor

The reason why I question the Grand Fathers age was that on the marriage certificate it is given as 30 this was 1882

and the year previous on the date of the Census April 5th 1881 it was given as 29 and the place of birth as Worcester, also on the 1881 census his surname was spelt as LOYD with the occupation as Coachman at Fairlawn House - Lytham which is correct, however the reason I put his middle name of HENRY in brackets was I have never found except on the headstone any reference to the name Henry either on the 1881 - 1901 census or on the marriage certificate.

Ironically all the information I need sits only 4 miles from here at Smedly Hydro in Southport but they have no public access. However next time you are in London you could obtain further details from:

The Family Records Centre  
1 Myddleton Street  
LONDON  
EC1R 1UM

Tel: 0208 392 5300  
Fax: 0208 392 5307

The reason I guess the Grand Fathers birth date is due to the known date of the census and marriage April 5 and 24th  
29 one year and 30 the next. to be born in 1852 and 29 in 1881 he must have had a birthday between Jan 1st and April 5th.

Arthur Henry Lloyd and Joyce S CROOKS (poss) had the following child:

- i. **MICHAEL<sup>4</sup> LLOYD** was born about Dec 1957 in Bkp 10b 544 (poss).

Notes for Michael Lloyd:

If this is the right person then he was brain damaged at birth. however I am not sure if this is the right person. The surname, mothers name and location are OK but the father had remarried the year before. Ernries view on this chap is that Joyce did a runner when the brain damaged boy was born and was never seen nor heard of again. Eventually the boy was put into an institution.

Notes for Aileen Lloyd:

Christine thinks that the wedding photo was at a registrar's office as they did not marry in church. My mum told us she was "stood up" by a girlfriend at Blackpool Tower and in walked a bunch of soldiers, my dad amongst them, and they struck up a conversation and my mum offered him some chocolate.

Interestingly enough, when my mum was young she was very anaemic and didn't get her menses till she was older and Granny Lloyd took her to a Dr. and Dr. in London told her she would "never" have children.

Notes for Juliusz Alexander FURDYNA:

Juliusz was a Polish serviceman in the Polish Air Force. After marrying Aileen, they lived in Fleetwood for a while, then London and then the USA where they settled in New Jersey in the mid 1950s.

He was a stamp collector and could make places come alive through his stamps. Also, he was in a work camp in Kazakhstan then moved through the middle east and then to England. He must have gotten the better end of the bargain being a radio man in the RAF vs. going to the Montecasino

blood bath. And my father loved telling stories of his travels in what was Persia, going through Straits of Gibraltar, his dad owning a night club in Alexandria, Egypt, etc. etc. Unless he's concealing the real dark side of life back then, he seems to have had some great adventures. Arrived in New York on 25 Jan 1954 on the Britannic heading for 191 Garfield Place, Brooklyn. Juliusz Alexander FURDYNA and Aileen Lloyd had the following children:

33.       i. CHRISTINE<sup>4</sup> FURDYNA was born in May 1949 in Fylde Q2 10c 341. She married Edward Albert YOUNG in Nov 1968. He was born in Apr 1948.
- ii. BARBARA FURDYNA was born in Aug 1950 in Fylde Q3 10 c 306. She married (1) PETER OLIVER. He was born in Jul 1934 in London. She married (2) NELSON CAMP.

#### Notes for Barbara FURDYNA:

Barbara worked for IBM for some years until made redundant. As for IBM, I wasn't a high level exec, but rather started out as a salesperson and held other positions in Marketing, Forecasting, and announced some copier products (I was actually in the office end most of the time, not computers). In any event, it was a good run and paid well.

Barbara ran an 8 room guest house for much of this time. I had school teachers running La Maison and my ex was able to work from home some of time (he was an IBM sales manager).

She now works for / runs a real estate agency and has recently relocated to England to live with her husband Peter. In January 2015, they will be moving to the town of Chichester, approx 1 1/2 hrs outside of London.

Barbara Furdyna Diane

I was in Fleetwood a number of times -- took my mom there in the mid 90s -- we were in London also -- she said she saw more of London with me than when she lived there. We actually went back to the house we lived in on Chetwyn Road. The new owners (lawyers) were gracious enough to invite us in. Apparently, I had many falls on the garden steps as a toddler -- so I was curious about the garden too. My mother was a great lady -- a true saint -- always giving to everyone but herself. Losing her was tough, but when there's no quality of life ..... and we're all headed in that direction.

In all the family, Michelle, Yvonne & I may be more alike in some ways -- Michelle & I were the only two to get university degrees. We both went to Rutgers University, and I did some graduate work in Finance at Fairleigh Dickinson University -- both schools in New Jersey. Yvonne went to Seton Hall for a bit, and Chris did some night courses at Rutgers; Sandra went to Keane College for a while, but was bored & dropped out (left a 4 year scholarship). We all see each other lots, love each other, (my mum raised us that way) but have hugely different opinions on everything, including politics and life in general. I guess that's to be expected when we spend our days very differently.

Barbara majored in French and studied for a while at the Sorbonne. The Sorbonne was fun at time -- it was a summer 7 week class, and I actually stayed out of Paris (too bad) at the campus of Haute Etudes Commerciales -- we were bussed in daily! Still, I was 19 and it was lots of fun.

My dad inspired me to study foreign languages, of which I had some Latin, Spanish and French -- Italian next hopefully. He impressed on me that Latin was key to expanding one's vocabulary. My dad also was impressed with education, money and position -- my mom was more low key and took the "don't kill yourself" attitude (what I thought was English mentality at the time). I like to think I inherited my dad's ambition and my mom's good nature.

#### Notes for Peter OLIVER:

Peter graduated from Nottingham University & his brother went to Oxford as an English major. His dad was a true artisan -- a clock case maker (3 generations) and did work for Garrard's and the queen. Some of his equipment is in an Islington Museum. We also have a home in Islington (which is going to be done over -- still meeting with architects). Peter and his two brothers chose different paths -- 2 of them worked for IBM, and one is currently an assistant dean at an Australian university.

Notes for Kathleen A

TYE: From Anita Furdyna

Kathleen became pregnant and gave birth to her only child, Katrina, whom I believe is now in her mid-30's. While she never married Katrina's dad (if memory serves correctly, he took off either while she was pregnant or soon after the baby was born). Kathleen met an American serviceman from Arkansas while Katrina was a little girl, and I believe they married and she came back to the States with him. I believe he had intended to adopt or may have actually adopted Katrina. In any event, Kathleen was having some difficulty conceiving a second child and had gone to the army base to have some tests conducted by a military doctor. While undergoing tests, the doctor accidentally pierced an artery which caused her to hemorrhage and subsequently die. It was very tragic, I believe she was about 26 yrs. old at the time of her death. I remember taking my mother to an attorney to try to get some compensation on behalf of Katrina, as Kathleen's husband (I believe) had virtually no contact with Katrina after her mother's passing. Unfortunately, my mother's attempts at a lawsuit were in vain, as the US military was "immune" to being sued at that time. I'm not even sure that my mother had discussed this with my Aunt Kitty, as she was in shock and didn't want to talk about it. Aunt Kitty did raise Katrina, though, and she went on to marry an Alan Flitcroft, and has four children. I've never met Katrina, but I hear she is a lovely girl. I know she used to send Christmas cards to my mother every year.

? ? and Kathleen A TYE had the following child:

33. **CHRISTINE<sup>4</sup> FURDYNA** (Aileen<sup>3</sup> Lloyd, Arthur Henry<sup>2</sup> Lloyd, Thomas Henry<sup>1</sup> Lloyd) was born in May 1949 in Fylde Q2 10c 341. She married Edward Albert YOUNG in Nov 1968. He was born in Apr 1948.

Notes for Christine FURDYNA:

Christine is also a published writer (as a hobby) She has published some editorials on things she is interested in.

My father told me of a story during the end of the war, wherein he thought his father was dead, however, they ran into one another after a long period of time at a bar in Tehran. (A likely story)... (I believe my grandfather was a "Food & Drug Inspector" of the area which my father indicates was rather high powered in that venue). (My recollection is vague of the story). Anna had something of an "acting" background... Hello????!! Duh !! Now we know where we all got the flair for "drama" (a bit).

I was christened as an infant in "Church of England" religion, however, I converted to Catholicism when I married my husband and also, my dad is Catholic. Speaking of "conversion", I remember years ago, when our old oil burner was on the fritz and Ed apprised me that we needed to convert and I asked, "Don't you want to be Catholic anymore?" (Obviously, we converted from oil to gas.) (I realize it's corny, albeit classic).

### Generation 4 (con't)

My mum told us she was "stood up" by a girlfriend at Blackpool Tower and in walked a bunch of soldiers, my dad amongst them, and they struck up a conversation and my mum offered him some chocolate. (I always said to Mum that it was fate-- as the rest they say is history). Interestingly enough, when my mum was young she was very anaemic and didn't get her menses till she was older and Granny Lloyd took her to a Dr. and Dr. in London told her she would "never" have children... (I remember asking my mum if she "believed" she'd never have children and she said she "absolutely" knew she's have them .&nbs p; Can't say for certain if she planned on seven, but she always said she'd never give any of us back!) ha ha.

Edward Albert YOUNG and Christine FURDYNA had the following children:

53. i. EDWARD ALBERT<sup>5</sup> YOUNG was born in May 1969. He married (1) JOANNE BILANCIA. He married (2) LEIGH MASTRIANI in Sep 2012.
- ii. MICHAEL PETER YOUNG was born in Jun 1971. He died in Mar 2013.

Notes for Michael Peter YOUNG:

Michael took his life in March 2013 after experiencing some financial setbacks and being prescribed medication that was not helping him. He was a great guy, so very giving of himself to all he knew. Always the life of the party, he is missed every day by his family, but we take comfort in knowing he is with my parents up above.

34. **SANDRA<sup>4</sup> FURDYNA** (Aileen<sup>3</sup> Lloyd, Arthur Henry<sup>2</sup> Lloyd, Thomas Henry<sup>1</sup> Lloyd) was born in Feb 1952 in Fylde Q1 10 c 309 Fleetwood, England. She married Nisiforos CHRISTOPHER in Oct 1971. He was born in Jan 1947 in Kalavassos, Cyprus.

Notes for Sandra FURDYNA:

Sandra graduated from Livingston High School in Livingston, NJ in 1970. She attended Keane University for a short time (about one year) and decided it wasn't for Her. She was engaged to be married at the time and wanted children. She currently works in the Payroll Department at a large hospital.

Sandra converted to Greek Orthodoxy when her granddaughter Dana was christened in the Greek Orthodox church.

Notes for Nisiforos CHRISTOPHER:

For many years, Nick ran a very successful restaurant. We decided to sell the restaurant about 10 years ago, as the restaurant business can be quite gruelling and the timing was right. He is still a chef, but for a corporate dining service.

Nisiforos CHRISTOPHER and Sandra FURDYNA had the following children:

54. i. MICHELLE IRENE<sup>5</sup> CHRISTOPHER was born in Jul 1972 in Livingston, New Jersey. She married Jon CROWLEY Jr in May 1998. He was born in Jul 1966 in Orange, NJ.
55. ii. NICKOLAS PETER CHRISTOPHER was born in Aug 1974 in Livingston, New Jersey. He married Angela MUSSO in May 1999. She was born in Jan 1976 in Montclair, NJ.
56. iii. ANDREA LYNN CHRISTOPHER was born in Aug 1978 in Livingston, New Jersey. She married ANDRES JESUS ALFONSO. He was born in Jun 1978 in Glen Ridge, NJ.

Notes for Anita FURDYNA:

Anita did graduate high school in 1973 and worked in a secretarial capacity for various offices She hopes to go back to work again when her situation stabilizes a bit. Matthew requires a significant

amount of care as she dispenses medications to him several times/day. Aileen taught Matt how to eat, something they thought would ever occur. Perseverance! He eats like a horse! I try not to deprive him too much, although I have to be mindful of potassium, sodium and sugar. I blame my mother for Matt's sweet tooth - it was a rite of passage holding a piece of Cadbury's chocolate to all the grandchildren's mouths in our family.

On my visits to the UK - my maiden voyage (via British Airways) was summer of 1975. A dear friend and I took advantage of a 45-day promotion to travel abroad so by plane and train we made our way to Fleetwood. Aunt Edna and Uncle Bob Williamson were already seasoned travelers, having crossed the pond to visit our family numerous times since about the mid 1960's. I think I met just about everyone of my mom's family who lived in the Fleetwood/Blackpool area. It was quite overwhelming, as there were so many of them! (Probably tantamount to what you're going through with our inundating you!) All of my mom's sisters looked just like her, my late aunt Josie, a "clone". I remember going to a place called the Queens Hotel for a gathering and ordering a "7 & 7" - the bartender politely corrected me and promptly served up a "rye & dry"! I also went to Blackpool Tower (I'm sure you've now heard the story a hundred times) where my parents met. My dad was just recalling the other day how he thought my mother had stood him up when she was 45 minutes late for their 1st date and how he almost left. Can you imagine that? That certainly would've changed the course of history somewhat! But I did get to see quite a bit of England as I took several tours. I remember staying in Stratford-upon-Avon during one of our tours and was excited to learn that the group would get to see a Shakespeare play after dinner. Sadly, my friend said I was asleep 10 minutes into the play (I guess it was all the driving!) I also got to see quite a few churches and cathedrals in England, Wales and Scotland. I absolutely love England and hope to take my children there to see where their grandma was born. London's a great town. I met Michael Crawford backstage after watching him perform in "Billy". He autographed my program. As you know, he went on to become quite a "hit" here in the States.

Vinnie HAWKINS and Anita FURDYNA had the following children:

- i. JAMIE AILEEN<sup>5</sup> HAWKINS was born in Oct 1991 in Livingston, New Jersey.
- ii. MATTHEW VINCENT HAWKINS was born in Nov 1998 in Livingston, New Jersey.

Notes for Matthew Vincent HAWKINS:

Matthew was born with defective kidneys. Anita donated a kidney to her son.

36. YVONNE<sup>4</sup> FURDYNA (Aileen<sup>3</sup> Lloyd, Arthur Henry<sup>2</sup> Lloyd, Thomas Henry<sup>1</sup> Lloyd) was born in Mar 1957 in Orange, New Jersey, USA. She married Thomas Francis PUCCI in Oct 1981. He was born in Apr 1942 in New York.

Notes for Yvonne FURDYNA:

Yvonne married Thomas Pucci in Oct 1981.

Her daughters Alexandra and Dana are both MBA graduates. Alexandra lives in New Orleans, Louisiana and works in finance for a hospital and Dana works for a PR firm in Miami, Florida.. In 1978, she visited the UK with Anita and stayed at her Aunt Edna's house. They saw the 2 room house where their grandmother had raised 10 children. They went to dinner at the Huston (sp?) Hotel and met George, Ernie and their wives and Kitty (Kathleen), Monica, and Josie (Josephine) and various cousins; Denise (who, as you may know, was really Aunt Kitty's daughter but was raised by Aunt Edna), cousins Jean and Pat, who were George's daughters and their husbands, John Tye and his wife Lynn who was Aunt Kitty's son, and Eileen Budge, Aunt Josie's daughter. Josie looked so much like her mother. Edna was smaller and not much like Aileen at all. Sid did come to the US one year, sometime in the 60s prior to his death, with Gladys and Ernie came with June a couple of times in the 1980s and 90s.

Aileen would recount tales of her mother making ice cream and she and one or two of her sisters selling it on the street and her mother giving it away to the children who couldn't buy it. Aileen would steal teabags !? from the ration supply during the war so that her mother could have her tea cravings satisfied.

Her mother and father were married the same year as the Queen. Michelle was working for a large advertising firm in New York who had Asprey the jewellers as one of their clients. Michelle submitted her parents names to a lottery that was offered to any couple who was married the same year as the Queen. Her parents won (along with 2000 other couples from various parts of the

Claudia is a psychiatrist. Tom and I have two daughters, Alexandra Aileen Pucci born July, 1985 and Dana Frances Pucci born September, 1987. Both of our children attend university in New Orleans, Alex at Tulane and Dana at Loyola. As you know, New Orleans was struck by Hurricane Katrina and the city was more or less shut down -- both universities were closed from August to December 2005. The girls continued their education at a local Florida university until they returned in January 2006 -- I visited New Orleans in August 2006 and the city is on the mend. We were not inconvenienced at all.
